

Professional Counselors Available

We are not made to do life alone. Sometimes we are needed to lift others up and sometimes we are in need of assistance ourselves. Liberty Christian School's desire is to provide resources during times of mental issues or trauma. Below is a list of professional counselors and counseling organizations that may be able to assist you and your family. If you have any questions about any of the counselors listed below, then please contact Carl Lamb, our Student Support Services Director, at carl.lamb@libertyonline.org or 765-644-7774
