## Secondary Highlights

**Tasty Tuesdays:** It has been a huge success! Every Tuesday, a youth pastor brings in 50 to 100 tasty treats with an inspiring quote or Bible verse attached to it. These treats usually get taken within minutes. It has been a fun way to connect with students!

**Locker Surprise:** At any time, a student may come to their locker and find a "Locker Surprise". This usually consists of a small gift and encouraging words. We have given over 100 locker surprises away this semester. It has been fun and encouraging to the students!

**House Group Serve Day:** Each month, a house group gets the opportunity to take a full day away from school and serve in our community. The Christian Center, Turn Away No Longer, and Glad Tidings Church are just a few of the locations they have had the opportunity to serve. It allows our students to give back while learning about important Christian ministries in our community.

## Student Spotlight

**Cooper Lamb**  
Sophomore

Cooper Lamb, a sophomore, went to Honduras on a mission trip from January 27th to February 3rd this year. He and 17 other people from Faith Church spent their time ministering at a Christian orphanage called "Give Hope 2 Kids."

While they were there, they spent time with the 65 children who were a part of the orphanage. The time spent included playing soccer, swimming, taking them to a museum, an arcade, shopping for clothing, and much more.

The highlight was the backpack party where they gave them backpacks filled with school supplies, toys, and clothing! They also had the opportunity to do a school convocation and outreach to over 100 elementary school students. It was a fantastic and effective trip!
