Issue No. 28 | May 1, 2024

Liberty Family,

As we approach the end of another remarkable school year, I wanted to express my heartfelt gratitude to our families for your ongoing support, partnership, and trust. Your involvement in your child's education, whether through volunteering, attending school events, or simply being there to offer encouragement, plays a vital role in fulfilling our mission. This year has presented its unique set of challenges, and yet, together, we have navigated through them with a shared commitment to providing our students an excellent education based on biblical truth in a Christ-centered community.

I am incredibly proud of our students as they develop into young men and women who glorify God in their pursuit of excellence. It is a privilege to walk with them as they grow in their knowledge of God, the world He created, and the people that he has put around them.

As we look ahead to the upcoming school year, I am filled with optimism and excitement for the opportunities that lie ahead. In the next several weeks, I look forward to sharing with you about the specifics of where God is leading us for the 2024-25 school year.

In closing, I want to wish each of you a safe, relaxing, and enjoyable summer break filled with cherished moments with family and friends. May this time rejuvenate and energize you for the adventures that await us in the new school year. I pray that each of your families grows closer together as you dive further into your relationship with Jesus.

Thank you once again for your continued support and partnership. It is truly an honor and privilege to serve at Liberty Christian School.

Sincerely,
Adam Freeman

The poster features the Liberty Christian School logo at the top, which includes a shield with a lion, a book, and a cross, surrounded by the text 'LIBERTY CHRISTIAN SCHOOL' and 'EST. 1976'. Below the logo, the text reads 'LCS ROBOTICS CLUB' in large, bold, orange letters. Underneath, it says 'Meeting in Room 109' and '\$10 PER PERSON' in orange. At the bottom, it lists 'MONDAY'S & THURSDAY'S AFTER SCHOOL @3:30 - 5:00' and '2024-2025 School year' in orange. Just a little teaser. LCS will have robotics club for the upcoming 24-25 school year! We are excited for students to be able to participate in this!

There are two callout boxes: one for 'AWARDS' listing '1st & 2nd place', 'Longest putt', 'Longest drive', and 'Closest to the pin', with 'Mulligans for sale: \$5 each'; and another for 'REGISTER NOW' with a QR code.
