NOTE FROM THE SUPERINTENDENT

We are Walking with Jesus through the 2024-25 school year! Our LCS community is committed to serving the Lord with all of our heart, soul, mind, and strength through the experiences presented at Liberty Christian School.

-Mr. Freeman

Ask a Kindergartener

WHAT ARE YOU THANKFUL FOR?

- "God." - Brooklyn C.
- "My parents." - Bridget M.
- "Milkshakes; with whipped cream and brownies." - Maddox B.

WHAT SHOULD ADULTS BE THANKFUL FOR?

- "God. And Jesus." - Ryker D.
- "Me." - Mia M.
- "Taking care of their children." - Jaycee P.

Do you know anyone looking for Christian education based on biblical truth?

Thanks to the School Choice Scholarship, private education is now an option for almost every family in Indiana. Visit our website to learn more today!

STAFF HIGHLIGHT

Stacy Clouse has taught Middle School English at Liberty for 1 year this January. She has had an immediate impact on the school's culture and the student's learning. Stacy and her family attend Anderson Church of Christ. We are thankful to have you as a part of the Liberty family Mrs. Clouse!

STUDENT HIGHLIGHT

Rowan Roper is a very resourceful student. If you give him a board, some wire and heavy tape, he will create something for your use. He enjoys working with his hands, and he was recently dubbed as an honorary maintenance member. He sometimes cleans things and sweeps the floors for us. Though school is not his favorite thing, he is working on formulating a plan to complete his work. His interest in "hands-on" activities has motivated us to try to form a club in which the members would serve our school through improvement projects. Thank you, Rowan, for helping us to understand the need for this type of group.

NEW LOOK!

Our monthly newsletter is changing to a quarterly format and expanding our audience to include both our current families and our wonderful alumni! We will use this platform to highlight Liberty and to communicate some of the great things our students are achieving.

NEW Paint

The Secondary building has been given a facelift recently, a mural was painted in the Secondary gym, bathrooms were painted, a welcome painted at the Secondary entrance, the athletics office now has a red accent wall and all of our external doors are now Liberty red.

NEW Field

Last year, our softball field was renamed "Earley Family Fields" honoring long time Liberty staff member, Mrs. Earley. Using funds raised during our annual Liberty Olympics, dugouts and announcer's booth have been repainted and the scoreboard has been re-wrapped!

NEW Security

We recently were awarded a grant that allowed us to upgrade security items for our school. We have upgraded and heightened our security systems in all of our buildings including new secure external doors at the Secondary building. We were also able to upgrade all of our lighting at the elementary building and LLC building. Our classrooms are now brighter and more efficient.

SPORTS

Our fall sports highlighted the growth of our young student athletes. Both the Junior High Soccer and Volleyball teams had outstanding seasons, while our High School Soccer, Volleyball, and Cross Country teams showed tremendous development as we build for the future.

Winter sports have officially started! Basketball and archery both start their seasons soon, come out and help us support them!

Fine Arts Fall Concert

We had a packed house at our concert on October 1! It was the biggest crowd I've seen in the 4 years I've been at Liberty.

-Mrs. Westman,
Secondary Band & Choir Director

Give Today!

As we enter the giving season, we would encourage you to consider supporting the mission and vision here at Liberty; equipping students with biblical truth so that they can passionately impact the world for Christ
