NOTE FROM THE SUPERINTENDENT

As we rapidly move towards the conclusion of this school year, I want to take a moment to thank God for the amazing things that have taken place at Liberty Christian so far this year and look ahead to the bright future God has in store for our school community. Your commitment to Christ-centered education and the growth of your children is what makes LCS such a special place.

As we prepare for the 2025-26 school year, I encourage you to prayerfully consider re-enrolling your child at Liberty Christian School. Re-enrollment is not just about securing a place for another year—it's about continuing the investment in your child's spiritual, academic, and personal growth. It's about keeping them rooted in a Christ-centered environment where faith and learning go hand in hand.

God is doing amazing things in our school, and we have exciting plans for the future. From strengthening our academic programs to expanding opportunities for service and leadership, we are committed to providing an education that equips students for success in both life and faith. We look forward to partnering with you in this journey, watching your children grow in wisdom, knowledge, and a deep relationship with Christ.

STAFF HIGHLIGHT

Mrs. Spearman is literally the first to come in every morning and one of the last to leave. She kindly, but strongly goes about her tasks, and she is open to any job that we give her. She is gracious, loving, and thoughtful. We are glad she is part of the Liberty Elementary team.

STUDENT HIGHLIGHT

Hailey Stagner is one of Liberty Christian's brightest students. She has been excelling in all of her classes, she is an A honor roll student and recently received a gold rating at the ISSMA music competition.
