## LETTER FROM THE SUPERINTENDENT

As we continue in the 2025-26 school year, I want to express my sincere gratitude for your continued partnership in the mission of Liberty Christian School. Your commitment to Christ-centered education makes a lasting impact on your children and on our entire community. Re-enrollment season is an exciting time as we look ahead with confidence, trusting God's faithfulness and celebrating the growth, excellence, and spiritual development that happens in our classrooms every day. We are thankful for each family who chooses to continue this journey with us, and we look forward to another year of academic excellence rooted in biblical truth. We also invite you to prayerfully consider encouraging other families to join what God is doing at LCS. Your personal stories and experiences are powerful testimonies of the difference a Christ-centered education can make. As you share Liberty Christian School with friends, neighbors, and church families, you become part of God's work in shaping the next generation of leaders, disciples, and servants. Together, let us continue building a community where students grow in scholarship, discipleship, and relationship.

LCS Superintendent

## 2026-2027 COMING SOON!

## Fine Arts

8th grader Hailey Stagner represented Liberty Christian School in the ISSMA all-state middle school honor choir last weekend at the Embassy Theater in Fort Wayne. We are so thankful for our students talent outside of the classroom!

## STAFF HIGHLIGHTS

Jodi Sharp is a former educator, but this year she returned as a Director for our LLLC. Jodi is a passionate educator, and her love and care for children is evident. She leads well with a godly heart and mind, and she brings a very positive energy to an already energetic place. We are so pleased to have her serve with us.

Matt Boldizar joined LCS midway through last year and immediately made a meaningful impact on our school community. Serving as Assistant Principal, he has taken on the roles of test coordinator, master scheduler, and guidance counselor with excellence and dedication. Drawing from his experience as a church pastor and leader, Mr. Boldizar brings wisdom, steady leadership, and a heart for students that helps LCS operate effectively and efficiently each day.

## PTF CORNER

The Parent Teacher Fellowship would like to extend a heartfelt thank you to everyone who braved the snow and supported our Dan's Fish Fry fundraiser! Because of your generosity, we enjoyed a wonderful evening of community while raising important funds to support our teachers and staff. The funds raised are going toward Valentines treats for teachers and staff as well as fun community-building activities planned for both campuses. Be on the lookout for details about our next "dine and donate" fundraising opportunity. If you're interested in joining the PTF, please contact the school office to get connected. We are looking for parents from both the elementary and secondary to be involved, and we'd love to have you!
