LETTER FROM THE SUPERINTENDENT

Dear Liberty Christian School Families,
Welcome to an exciting new school year at Liberty Christian School! It is with great joy and anticipation that we begin another year of growing together in faith, knowledge, and community.

This year is especially significant as we celebrate 50 years of Christian education. For five decades, God has faithfully guided Liberty Christian School, using generations of families, faculty, staff, alumni, churches, and supporters to fulfill our mission of providing a Christ-centered community where students receive an excellent education based on biblical truth. We are grateful for His faithfulness, and we are excited to see what He has in store for the next generation of Liberty Lions.

Our theme for the 2026-2027 school year is **Family**. Throughout this year, we will celebrate the unique blessing of belonging to the family of God while strengthening the relationships that make Liberty Christian School such a special community. Our theme verse, 2 Corinthians 3:17-18, reminds us; *"Now the Lord is the Spirit, and where the Spirit of the Lord is, there is liberty. And we all, with unveiled face, beholding the glory of the Lord, are being transformed into the same image from one degree of glory to another. For this comes from the Lord who is the Spirit"*.

As we live life together, our prayer is that every student will experience the freedom found in Christ and be continually transformed to reflect His character in every area of life.

Throughout this milestone year, we are excited to continue providing exceptional opportunities that prepare students for both college and career while helping them grow in their relationship with Jesus Christ.

This year includes:

- Partnership with D26 Career Center, allowing high school students to receive technical and career education at no additional cost.
- Partnership with Grace College, enabling high school students to earn 30+ college credits at no additional cost.
- Expanded spiritual development opportunities that encourage students to deepen their faith through discipleship, worship, prayer, and service.
- Growing community partnerships that provide meaningful real-world learning experiences and help students discover God's calling for their lives.

As we celebrate our 50th anniversary, I also want to encourage each of our families to prayerfully invite others to experience what God is doing at Liberty Christian School. One of the most important ways that you can support LCS is to share your story with friends, neighbors, coworkers, and members of your church. Your personal invitation has the power to impact another family for generations by introducing them to a Christ-centered community committed to academic excellence and biblical truth. Thank you for entrusting us with the privilege of partnering with your family. We are honored to walk alongside you as we disciple and educate the next generation. I look forward to seeing all that God accomplishes through our students, families, faculty, and staff during this special year of celebration.

In Christ,
Adam Freeman
Superintendent

We can't wait to watch our students create, perform, and shine!

PTF CORNER

The Parent Teacher Fellowship has been hard at work already this school year! We were so excited to welcome everyone back with fun photo opportunities at both schools, a handmade Lions wristlet keychain for all teachers and staff, as well as a fan favorite dirty soda bar on the first day of school.

We held our first interest meeting of the year to welcome parents who are looking for ways to get involved and bless our Liberty family. Thanks to all who attended! If you would like to attend our next meeting, it will be held at the elementary building on Monday, September 28th at 6:30pm. Meetings will be bimonthly and last around 1 hour.

If you would like more information or to hear of ways where you can serve our school, scan the QR code to fill out the PTF interest form. We are looking for people with all kinds of availability, giftings, and ideas! Every family has a ROAR - what's yours?
